

The Emily Program

Personalized treatment for eating disorders.

Practicum Application for Graduate Students

The Emily Program accepts practicum applications in affiliation with the University of Wisconsin-Stout (MFT program), St. Catherine's/University of St. Thomas (MSW program), and the University of MN-Twin Cities College of Education & Human Development (through the Counseling and Student Personnel Psychology; CSPP) (psychology program).

If you are interested in a practicum with The Emily Program, please follow your program's specific application process. In addition, you can contact our Training Director, Sue Babcock, and complete this application for the upcoming academic year. Include a current resume and submit via email to:

Kate Jalma, Ph.D., L.P.

Training Director

kate.jalma@emilyprogram.com

Please tell us about your interest in completing a clinical practicum at The Emily Program. (Use additional sheets if necessary.)

1. What interests you about the work that we do?

2. What qualifications/skill do you possess that would make you an asset here?

3. Are you available on Thursday afternoons for essential training meetings?

References: We ask that you bring a copy of your references with you if selected to participate in the interview process.
